

# End-of-year recognition

## Month 8 Meeting 17

This week is an opportunity to celebrate the accomplishments of team members and reflect on what they've learned over the past year.

**CYBER** **SWAT**

### Objectives

- Acknowledge the achievements of the Cyber S.W.A.T. team over the school year.
- Reflect on the growth and learning of team members.
- Generate interest for next year.

### Materials

- Any team-created materials to be showcased

### Things to consider

- SROs should use this as an opportunity to acknowledge the accomplishments of the team throughout the year.
- This can be as formal or informal as desired. Anything from a group lunch to a pizza party to a more official banquet would be appropriate.
- This meeting should reflect the needs and resources available to the group.
- To whatever extent possible, SROs should make sure to include team leadership in planning this event.
